Pledge for work

Life Analytics

In carrying out the business of Life Analytics, I agree with the following.

1．Start time is from 8:00 AM of JST everyday

2．Work hours are between JST 8:00 and 23:00

3．You not only stamp the attendance app at the start, end and breaks, but also contact me via slack.

4．You also work on weekends unless there is a special reason

5．Work more than 80 hours a week. This does not include waiting time or break time.

6．Reply within 15 minutes during working hours.

7．Report results daily and upload data.

8．Follow company instructions. Do not change the design or schedule without permission.

9．Work honestly and honestly.

10．Respect your colleagues and superiors.

11．One hour break for every four hours of continuous work

12．The business content may change depending on the business of the company, but you will follow it.

13．You agree that if it is determined that you do not comply with the above items, you may not be considered working.

14．Hourly wage of $ 5 per hour until IAS product launches

15．Payment is send you by WISE every Monday

16．WISE will also give you an incentive or increase hour rate if your complete product development is good.

17．If you leave us for any reason, you will inform us 10 days in advance.

18．If for any reason you take a break from work, tell us in advance that you will take a break.

19．If a work rule is created or updated separately from this pledge, it will be followed.

You agree with us the above and pledge to keep it
